

TRANSFER PERMIT (EU Preventive agreement) within European Community Countries

For transferring a pistol or a main pistol component (frame, slide, barrel, magazine) within the European Community Countries is necessary to receive the EU Preventive Agreement.

For delivering pistols or main pistol components (frame, slide, barrel, magazine) in cal. 9x19, considered by the Italian law a "military caliber", is necessary to request for an export permit to our Ministry of Interior and we need to receive the following documents:

- EU Preventive Agreement
- Name and position of the legal representative of the Company

EXPORT PERMIT for Countries outside the European Community

The Italian Authorities needs to receive the following documents for issuing an export permit for semiautomatic pistols or main pistol components (frame, slide, barrel, magazine) for semiautomatic pistols:

- Name and address of the customer (Company or Dept. name)
- Country where the pistols or main pistol components (frame, slide, barrel, magazine) will be delivered
- Copy of the order in which is listed the quantity and the caliber of the pistols or the main pistol components (frame, slide, barrel, magazine)
- End User Certificate if the pistols or the main pistol components (frame, slide, barrel, magazine) are for Police Dept's. or Army or Ministry Agencies
- Import Permit if the pistols or the main pistol components (frame, slide, barrel, magazine) are for civil market
- Name and position of the legal representative of the Company or responsible of the Police Dept's. or Army or Ministry Agencies

N.B.: It is necessary that the End User Certificate or the Import Permit clearly states that the pistols or the parts will NOT be re-exported without the authorization of the Italian Government.

The End User Certificate or the Import Permit must be certified by the Italian Embassy.

The Italian Embassy has also to certify that the End User Certificate or the Import Permit is issued and signed by the Ministry or the Authority having the power to do it.

P.S.: The Italian Government, following the European Code concerning the sales of small firearms, can refuse to issue or cancel the export permit in light of political, human rights or social problem arisen in the Country of destination.

EXPORT PERMIT VALIDITY

Once the export permit is issued it is valid for:

- One year from the issuing date or
- For the quantity requested

If the quantity of pistols or main pistol components showed in the export permit were not delivered within the year time we can ask for the renew of the export permit.
